## Welcome to the November issue-Montessori Academy of Windsor Newsletter

DEAR PARENTS -

*Here's what's up with us lately...*

Wow already the month of November! The children are settling in nicely. Our school is growing! We would like to welcome 3 new students, Bashar, Rane and Autumn.

The Fall Festival was a hit! The children enjoyed baking and preparing the chili. We hope that those attending enjoyed the program and the delicious meal.

## KIDFIT

### *MAW on the go...*

This past October was our first field trip to Fort Malden. The children enjoyed the nature park very much. It was very educational and pleasurable.

Our fun day on October 24<sup>th</sup> at the Social Bean was enjoyed by the children and the families who attended. Speaking of the Social Bean, the weekly Tuesday lunches are enjoyed by all! The students find the meals tasty and are behaving at their very best!

As we all know by now, KidFit will take place every Tuesday from 9:15 to 10:15am. Lots of fun and great exercise for the students and the staff! We appreciate greatly those parents driving the children back to school.

We are planning to move library day from Tuesday to Thursday each month. This week we have been invited to the library on Wednesday Nov 17<sup>th</sup> at 10:30am. Shelly Awad a local children's author will be a guest speaker. We will then start going to the library on Thursdays. The library has agreed to waive the late fee on books for this month due our visit on Wednesday rather than Tuesday.

Kid's Fest will be held on Sunday Nov 22<sup>th</sup> at the Novelto Rosati complex soccer place inside Mic Mac park from 1-4pm. There will be vendors, us included will have a table. There is also lots of fun activities, jumping castles, face painting, clowns, games etc... This will give the school a chance to be exposed. If you get a chance please come on out, we also would need some students there to help show how the material is used. The cost is 5\$ per person, children under 2 free.

### Kidfit on Tuesdays is Great!

## QUOTE OF THE MONTH:

"Within the child lies the fate of the future. Whoever wishes to confer some benefit on society must preserve him from deviations and observe his natural ways of acting. A child is mysterious and powerful and contains within himself the secret of human nature." - Dr. Montessori, "The Secret of Childhood," p. 208

## *THE SOCIAL BEAN...*
