

Welcome to the... Montessori Academy of Windsor

Welcome to the June issue of the MAW newsletter

DEAR PARENTS -

Here's what's up with us lately...

Track and field was lots of fun! We are very proud of our students for representing our school well at the meet last Tuesday. We received a few first and seconds. Both our boys and girls relay team placed third! Congratulations to the MAW Students.

Also our trip to Malden Park was enjoyed by all the students. We had great weather and presentation. The children were very knowledgeable of the plants and animals in our region. Big Thanks to Mary Montsch for doing a wonderful job presenting and sharing her knowledge.

We are planning to have our Fun Day on the last day of school, which will be Friday June 25th. We will let you know our plans for this year at a later date.

Report cards will go out on the 21st of June. Parent/Teacher interviews follow on June 22 and 23. We will also discuss the CAT/CTBS scores at that time.

We are asking all the parents to cooperate with the staff regarding pick up time at 3:30pm. The students will be waiting in Ms Vera's class and once you arrive we will direct your child to you. Together we can insure the safety of each child in our school.

Our last visit to the library is on June 3rd.

Great Job MAW!

MAW on the go...

Spring Concert is soon approaching! We are working hard at practicing our poems and songs. We are hoping to have a rehearsal at the Caboto Club sometimes next week. We will need a few parents to volunteer to help with driving.

We are hoping that you are all having luck selling the raffle tickets. Please have the money in by Friday June 4th. We have printed our admission tickets and have them in the office for those that want to purchase ahead of time. They are \$5 per person. You will also be able to purchase them at the door.

We are able to bring refreshments to the club. We will be serving coffee and desserts. If anyone is able to help out we would appreciate a plate full of desserts or fruit.

As mentioned before, the children need to wear white outfits for the concert. We also need white helium balloons, and would appreciate it if every family could bring one to the concert. Please let us know if you are able so that we have approximate number.

We would ask that the children arrive at the Caboto Club around 1:40 so that we can begin right at 2 pm.

WELCOME SPENCER!

We will continue our Tuesday lunches until June 15th. In addition, Lauren McCorqudale will be treating the children to lunch on Thursday June 17th, therefore there will be no need to send a lunch with your child.

Our last babysitting night was last Friday the 28th. Once again, they had a great time with their friends. Students had the opportunity to sell bracelets, cards and plants. Thanks to all that purchased something from the MAW students. We will also have them at the Spring Concert.

There will be no scholastic orders for the month of June. Thanks too all those who made purchases throughout the school year. This was a great way for the school to purchase some books for the classroom.

For those who need care on Monday June 28, Tuesday June 29, we will be at the school cleaning and organizing. Let us know if you will be needing care for those days.

We will have a summer program starting July 5 to August 13. Those interested please have the registration forms in by June 15th.

Lastly, we would like to thank all the families for your support and trust in us. We appreciate all your efforts throughout the school year. We had yet another amazing year. We wish all the children a safe and relaxing summer holiday and look forward to starting up a new year with those students returning!

Warm Regards,

Ms Dusanka and Ms Vera
