

Welcome to the... Montessori Academy of Windsor

DEAR PARENTS -

Here's what's up with us lately...

April has been a busy month. We are happy to report the children have been working diligently in all areas of the classroom. "Scientific observation has established that education is not what teacher gives; education is a natural process spontaneously carried out by the human individuals, and is acquired not by listening to words but by experiences upon the environment". Maria Montessori. May will hold many exciting events for the children to enjoy. Together we are working on practicing our peace concert songs and poems and getting ready for track and field later in the month.

Children have been working on their CAT & CTBS tests for the last two weeks. They will be completed in a couple of days and will be mailed out for marking. We will discuss the results at our next parent teacher interview in June.

We would like to thank all the parents who were able to attend the concert meeting and give us great suggestions. Parents have received envelopes with 10 tickets to sell. we have also written a short summary of our 3 main prizes and how we plan to use \$250 for a needy child/children in the Windsor area. Please try your best to sell as many as you can for this to be successful. We are doing something different this year and would like to involve parents to participate with their child in the concert. If willing let us know what you are planning(song, dance etc) so we can add it to the program!

Library

May 20
Malden Park
12-2:20pm

May 24
Victoria Day
(school closed)

May 25
Track and Field

May 28
Babysitting Night
Scholastic Order's due

MAW on the go...

On May 20th the students will be going out to Ojibway for their field trip. Due to the construction going on at the park at the present time, we will be going to Malden Park where they assure us the children will get an excellent presentation. The bus will take us there and bring us back by 3pm.

Track and Field will be held on Tuesday, May 25 (day after Victoria Day). Students 5 and older will be able to participate. Those who are not able are more than welcome to come and cheer on the school. This year there will be 5 schools competing. Students will need to be driven to l'Essor school 13605 St. Gregory rd in Tecumseh by 9 am and be picked up by 2:30 - 3:00pm. We will have an area set up for our students and families to meet and have lunch together like the past years. If any parent are able to stay for the day, it would be greatly appreciated. We will need volunteers to help the younger children to get to their events on time. More info to come later.

MOTHER'S DAY

TEA PARTY

May 7th

2:30 to 3:30

Hope to see you there!

FUNDRAISING/NEWS...

May 10th Ms Vera's class will start presenting their experiments on Light and Sound. They will have a sign up sheet and will be presenting one per day. They are to follow the format given to them earlier in the month. Ms Dusanka's class is also welcome to do presentations on Dinosaurs, similar to the ones they did on the Solar System.

We are working on a couple of other projects for fundraising. We are still selling our rings and are making bracelets from pop tabs. Please save them for the school and send them in with your child. Students are also designing greeting cards to be sold in packages for all occasions. These will be sold at our Peace Concert.

Tuesday lunches continues to be great fundraiser. We are planning to purchase more pin maps and cultural material for our shelves.

Mother's Day Tea party is this Friday, May 7th from **2:30 to 3:30**. Mother will be treated to tea and desserts along with some lovely poems and songs! Your child will also be able to show you their work and maybe even teach you a thing or two!

Lastly, we ask parents to please submit their registration forms by May 15th, so that we can plan for next year.

Warm Regards,

Ms Dusanka and Ms Vera

HAPPY BIRTHDAY!

Bashar May 10th

Christina May 21st

Bennett May 21st
